Father Christmas will later make his way into the town.

4pm – 4.15pm Children and adults with lanterns **LED LIGHTING ONLY PLEASE** will assemble near the Gables Hotel (near the putting green) at the foot of Compston Road and await the arrival of Father Christmas.

4.30pm Father Christmas will arrive in his sleigh at The Gables Hotel and will lead the procession up Compston Road towards the town centre, pausing at various points to throw his magic “Christmas Dust” into the air to switch on the lights by magic!

After passing the Market Cross, the procession will continue round to Market Place and then slowly along to the start of Lake Road (pausing for more “magic dust” at the top of Church Street) and then down Church Street (with more lights to switch on) as far as the bottom of the Church Street where the final lights switch on will take place. (approx. 5.10pm)

Father Christmas will then leave us, as he has to return to the North Pole to carry on the big job of checking that the elves are wrapping the presents properly!

5pm make your way to **Rothay Park** for the spectacular free **FIREWORKS DISPLAY which starts at 5.30pm** . The best way to get there is to walk along Compston Road and take the sharp turn just by the pelican crossing outside the cinema into Vicarage Road (with the Walnut Fish and Chip shop on your right) and past the Ambleside Primary School into the park. In the playground opposite the school you will find a range of attractions and activities to tempt you!
